

## ESCGP-2 DEP Planning and Permitting Training Tuesday, April 8, 2014

*Continuing Education Credits Available!*

**The Marcellus Shale Coalition in conjunction with its Surface Use Committee is pleased to offer to all oil and gas industry stakeholders the opportunity to attend an ESCGP-2 DEP Planning and Permitting Training.**

This training will cover topics related to the planning and permitting of projects requiring coverage under the PADEP's ESCGP-2. The primary focus will be tips to assist in the preparation of an administrative and technically complete permit package. The ESCGP-2 Model Plans will be introduced at this training. Through a partnership with the MSC, the PADEP has developed these Model Plans with the intent of streamlining the preparation of and review of permit packages.

PADEP representatives and industry representatives will educate attendees on technical issues for use in preparing an ESCGP-2 package as well as how to handle these projects after construction has commenced.
