Did you know?

Associate members are an integral part of the MSC and the industry's robust supply chain.

The MSC Board of Directors consists of 45 major producer and midstream companies in the Appalachian Basin.

More than 90% of the natural gas in Pennsylvania is produced by MSC member companies.

As an added value, if you attend the session in State College, you are invited to participate in the committee meetings and member reception that day. Committee meetings begin at 10am and end at 5pm, with the reception following. Average attendance at the member meetings is 450+, with a record attendance of 750+ at the March 2014 meeting.
