Dear Chairmen Yaw, Yudichak, Hutchinson and Teplitz:

Act 13 Impact fees are a positive means of providing for the needs of our community while alleviating the associated burden from the Marcellus Shale Industry. They are used in our Borough to help pay for the infrastructure of our roads and storm sewers. They also help to support our Borough with costs associated with emergency preparedness and public safety.

Of course, Montoursville Borough still has needs within these items; Act 13 Impact fees simply help alleviate some of the toll associated with these needs

In closing, I would request that you would please continue to support the Act 13 Impact fee.

Thank you for your time and consideration.

Sincerely,

John Dorin, Mayor
Montoursville Borough
