

PennDOT Highway Occupancy Permit Training

October 1, 2015

4 Professional Development Hours (PDH) available!

The Marcellus Shale Coalition's Transportation Committee in conjunction with the Pennsylvania Department of Transportation (PennDOT) are pleased to offer a PennDOT Highway Occupancy Permit Training. This training is being offered to all oil and gas industry stakeholders.

During this training, attendees will be educated on the process of preparing PennDOT Highway Occupancy Permits (HOP) specific to oil and gas operations, while highlighting common permit deficiencies. In addition, PennDOT will present how companies can work successfully together on projects, specifically relating to HOP permits. Lastly, an industry panel will discuss perspectives and share lessons learned with respect to the HOP process.
