

## PennDOT Permit Training

**March 31, 2016**

5 Professional Development Hours (PDH) available!

**The Marcellus Shale Coalition's Transportation Committee is pleased to offer a Pennsylvania Department of Transportation (PennDOT) Permit Training. This training is being offered to all oil and gas industry stakeholders.**

During this training, Dawood Engineering will educate attendees on the process of preparing PennDOT Highway Occupancy Permits (HOP) specific to oil and gas operations, while highlighting common permit deficiencies. In addition, Stahl Sheaffer Engineering, LLC will present information regarding Pub 23 – Chapter 15: Posted Highways and associated permits; which will include an overview on excess maintenance agreements, bonding and security requirements, inspection and PennDOT enforcement mechanisms. Lastly, PennDOT will present how companies can work successfully together on projects. Representatives from PennDOT District 12 will be in attendance and available to answer questions related to the materials presented.
