Phased Re-Opening

Will allow certain activities in counties that meet criteria established by the governor and Secretary of Health to re-commence.

Phases: RED $\rightarrow$ YELLOW $\rightarrow$ GREEN

Several threshold criteria considered by state:

- Number of new cases of COVID-19 in county over past 14 days (i.e. no more than 50 per 100,000 population)
- Ability to conduct adequate testing
- Availability of sufficient healthcare capacity (i.e. hospital beds, ICU beds, respirators, PPE, etc.)

Decisions are ultimately subjective; to date, Governor Wolf has announced two rounds of limited openings a week before counties re-open.
