

PA DEP PCSM CONTROL DESIGN/NOT TRAINING JUNE 22, 2022

SPONSORED BY

Join oil and gas industry stakeholders for an educational session on Post Construction Stormwater Management Control Design with a focus on Waterbar Design and Installation. Learn about current regulations and applicable guidance as well as the proper way to obtain ESCGP Permit Notice of Terminations (NOTs). PADEP officials and industry experts will present what is required and highlight case studies. Lastly, all the presenters will participate in a panel and will discuss perspectives and share lessons learned on Post Construction Stormwater Management and ESCGP Permit NOTs.
