

# LEARN & NETWORK AT THE LEADING CONFERENCE

ON AMERICAN SHALE ENERGY, INDUSTRIES AND JOBS.

Natural gas and energy focused students are invited to apply for the **SHALE INSIGHT® 2023 UNIVERSITY RESEARCH SHOWCASE** to exhibit groundbreaking research while networking with top energy professionals on September 26-28 at the Bayfront Convention Center in Erie, Pa.

Up to 8 selected participants will receive:

- › **1 FREE FULL CONFERENCE PASS** ‹
- › **A CERTIFICATE OF ACHIEVEMENT DURING THE CLOSING KEYNOTE** ‹
- › **\$500 HONORARIUM** ‹

*As a student, I found the University Research Showcase to be an invaluable opportunity to communicate my science with the shale development industry. Participating in the Showcase allowed me to receive beneficial feedback from industry professionals. Furthermore, it served as an excellent venue for networking which resulted in an internship offer from a large field service company."*
